**LEGACY SYSTEMS
& TOOLS**

LEGACY SYSTEMS

- AS/400 Administration
 - COBOL Programming for Legacy Systems
 - DB2 Programming
 - IBM AS/400 Programming and Administration
 - IBM Power Systems Administration
 - IMS-DB/DC
 - Legacy Application Modernization
 - Legacy Database Management
 - Legacy System Documentation and Analysis
 - Legacy System Documentation and Knowledge Management
 - Legacy System Integration with Cloud and Mobile Technologies
 - Legacy System Integration with Modern Technologies
 - Legacy System Maintenance and Support
 - Legacy System Migration Strategies
 - Legacy System Modernization Approaches
 - Legacy System Performance Tuning
 - Legacy System Project Management
 - Legacy System Security and Compliance
 - Mainframe Programming and Administration
 - Mainframe Systems Administration
- 

LEGACY SYSTEMS

- Unix System Administration
- Windows Server Administration

LEGACY SYSTEMS TOOLS

- Ada Programming Language
- Adabas Application Development
- Algol Programming Language
- Apache Web Server
- APL (A Programming Language)
- Assembler Application Development
- Assembly Language Programming
- BASIC Programming Language
- CICS Application Development
- CICS Transaction Processing System
- Clipper Programming Language
- COBOL Application Development
- COBOL Programming
- ColdFusion Web Development
- DB2 Application Development
- DB2 Database Management System Training

LEGACY SYSTEMS TOOLS

- dBASE Database Management System
- Delphi Programming Language
- FORTRAN Application Development
- Fortran Programming Language
- FoxPro Database Management System
- IBM AIX Programming
- IBM AIX System Administration
- IBM AS/400 Administration
- IBM CICS Administration
- IBM DB2 Administration
- IBM IMS Administration
- IBM iSeries Programming
- IBM iSeries System Administration
- IBM Mainframe Administration
- IBM MQ Administration
- IBM MVS Programming
- IBM MVS System Administration
- IBM OS/2 Programming
- IBM OS/2 System Administration
- IBM Rational Asset Manager Administration

LEGACY SYSTEMS TOOLS

- IBM Rational Asset Manager Development
- IBM Rational ClearCase Administration
- IBM Rational ClearCase Development
- IBM Rational ClearQuest Administration
- IBM Rational ClearQuest Development
- IBM Rational Functional Tester Administration
- IBM Rational Functional Tester Development
- IBM Rational Integration Tester Administration
- IBM Rational Integration Tester Development
- IBM Rational Performance Tester Administration
- IBM Rational Performance Tester Development
- IBM Rational Publishing Engine Administration
- IBM Rational Publishing Engine Development
- IBM Rational Quality Manager Administration
- IBM Rational Quality Manager Development
- IBM Rational RequisitePro Administration
- IBM Rational RequisitePro Development
- IBM Rational System Architect Administration
- IBM Rational System Architect Development
- IBM Rational Team Concert Administration

LEGACY SYSTEMS TOOLS

- IBM Rational Team Concert Development
- IBM Rational Test Virtualization Server Administration
- IBM Rational Test Virtualization Server Development
- IBM Rational Test Workbench Administration
- IBM Rational Test Workbench Development
- IBM System/36 Programming
- IBM System/36 System Administration
- IBM System/360 Mainframe
- IBM System/38 Programming
- IBM System/38 System Administration
- IBM TPF Programming
- IBM TPF System Administration
- IBM VM Programming
- IBM VM System Administration
- IBM VSE Programming
- IBM VSE System Administration
- IBM WebSphere Administration
- IBM WebSphere Application Server
- IBM z/OS Programming
- IBM z/OS System Administration

LEGACY SYSTEMS TOOLS

- IBM z/VM Programming
- IBM z/VM System Administration
- IBM z/VSE Programming
- IBM z/VSE System Administration
- IDMS (Integrated Database Management System)
- IMS Application Development
- IMS Database Management System
- Internet Information Services (IIS) Web Server
- ISPF (Interactive System Productivity Facility)
- JCL (Job Control Language)
- JCL Application Development
- Lotus Notes/Domino Application Development
- MVS (Multiple Virtual Storage) Operating System
- Natural Application Development
- Netscape Enterprise Server
- Oracle WebLogic Application Server
- PL/I Application Development
- PL/I Programming Language Training
- PowerBuilder Programming Language
- REXX Application Development

LEGACY SYSTEMS TOOLS

- RPG Application Development
- RPG Programming Language
- Sybase PowerBuilder Training
- TSO (Time Sharing Option)
- Visual Basic Programming Language
- VM (Virtual Machine) Operating System
- VSAM (Virtual Storage Access Method)
- VSE (Virtual Storage Extended) Operating System
- Abaqus Finite Element Analysis
- Ansys Finite Element Analysis
- AutoCAD Computer-Aided Design
- Baan Enterprise Resource Planning System
- Business Objects Business Intelligence
- CATIA Computer-Aided Design
- Cognos Business Intelligence
- Crystal Reports Business Intelligence
- Hyperion Business Intelligence
- IBM Cognos Planning Business Intelligence
- Informix Database Management System
- LS-DYNA Finite Element Analysis

LEGACY SYSTEMS TOOLS

- Maple Mathematical
 - Mathematica Mathematical
 - MATLAB Mathematical
 - Microsoft SQL Server Database Management System
 - MiniTab Statistical Analysis
 - MSC Nastran Finite Element Analysis
 - MySQL Database Management System
 - Oracle Business Intelligence
 - Oracle Database Management System
 - PeopleSoft Enterprise Resource Planning System
 - Pro/ENGINEER Computer-Aided Design
 - SAP R/3 Enterprise Resource Planning System
 - SAS Statistical Analysis
 - Siebel Customer Relationship Management System
 - SolidWorks Computer-Aided Design
 - SPSS Statistical Analysis
 - Stata Statistical Analysis
 - Sybase Adaptive Server Enterprise Database Management System\
 - Access Application Development
 - JD Edwards Application Development
- 

LEGACY SYSTEMS TOOLS

- Lotus Notes Application Development
- Microsoft Dynamics Application Development
- Oracle Applications Application Development
- Oracle Forms Application Development
- Oracle Reports Application Development
- PeopleSoft Application Development
- Perl Scripting
- PowerBuilder Application Development
- PowerShell Scripting
- Progress Application Development
- Python Scripting
- SAP Application Development
- SAS Application Development
- SharePoint Application Development
- Siebel Application Development
- Unix Shell Scripting
- Visual Basic Application Development
- Visual FoxPro Application Development
